# AGENDA

## WOMEN SHAPING THE FUTURE OF ENERGY: EMPOWERING THE NEXT GENERATION

GRAND BALLROOM, 10<sup>TH</sup> FL, SILQ HOTEL AND RESIDENCE  
THE CONFERENCE WILL BE CONDUCTED IN THAI.

---

*This session will spotlight women at the forefront of the energy transition, focusing on building connections within the sector. The networking event, "Women Shaping the Future of Energy: Empowering the Next Generation," will offer a platform for participants to share ideas on women's roles in Thailand's energy sector. It will highlight how current industry leaders are driving advancements in renewable energy, inspiring sustainable practices, and empowering young female professionals through shared experiences and career development.*
